GUIDELINES FOR LITURGICAL MUSIC: COMPANION TO CBW 111

*This workshop will introduce you to the **Guidelines for Liturgical Music: A Companion to CBW 3** resource recently published by the CCCB. In it we find the 'why and how' for choosing appropriate music for the Sunday liturgy as well as for all other liturgical celebrations. This resource is invaluable for the church music minister needing to be familiar with the principles regarding music in Roman Catholic liturgies.*
